## White River Communities Champion Award

There are many wonderful individuals and groups who give of their time and talent to help others and make both small and large contributions within the White River School District. Their contributions do not go unnoticed, be it within their organization, school, or community they serve in, or by the lives they alter along the way. They are often behind the scenes, or the extent of how they impact others is not always known. For many, it is their life's work.

The White River Communities Champion Award recognizes the commitment of those who make the White River School District a better place to live, learn and grow.

### Nominee Criteria:

- ◆ An individual or group who has made a powerful difference in the community without necessarily having the benefit of holding an office, title or position.
- ◆ An individual or group who has contributed to the health and well-being of the community's youth and families.
- ◆ The individual or group that goes above & beyond what is expected of them – as a volunteer or in their professional role.
- ◆ The nominee can be a student or an adult, a business or an organization.
- ◆ The nominee must serve within the boundaries of the White River School District.

**All nominations are DUE BY FRIDAY, APRIL 18th. It only takes a few minutes. Please consider nominating someone for the 2014 White River Communities Champion Award sponsored by the White River Families First Coalition.**

*We have nomination forms at Town Hall*

*If you wish to nominate someone or some group, you can come by and pick up a form, or we can email it to you.*

#### Become a volunteer tutor:

- ⇒ Student tutors (Juniors and Seniors) earn service credit hours towards graduation
- ⇒ Adult tutors enjoy sharing their skills and experience

Many students who for some reason aren't learning well in a classroom setting, sometimes do well with 1-on-1 with a tutor. Our goals are two fold: First to show them a good learning experience, and second, to return them to the class room with the skills and desire to learn there as well.

- \* We want students to come to tutoring with questions for tutors, homework they need help with, or tests they have questions about.
- \* Tutoring is a place to learn, not just 'hang out'.
- \* Tutoring is fun and easy.
