Needed... One Council Member!

There is currently one council position open for immediate occupancy on the Town Council.

Six months term left on this position. If you care about things that effect you and your neighbors, or even if you want to be a part of creating local history, this is your chance to flex your civic pride, and to make a difference in what goes on in local government.

You must live in town and have time to attend 2 council meetings a month. (Second Monday, Fourth Wednesday)

This position will be up for re-election this year.

Not interested in Town Council? What about Planning Commission?

Wilkeson is currently seeking civic minded citizens, interested in reviewing and studying planning related guidelines and projects of the Town.

We are looking for four seats to be filled. One of the four seats may be an out of town resident.

Planning Commissioners must attend monthly meetings of the Wilkeson Planning Commission, which are held the third Wednesday of each month, at 7:00 PM, at the Town Hall.

If interested, for either Town Council or Planning Commission, please contact the Mayor phone: 360-829-0790 email: mayor@townofwilkeson.com
