

EMS LID

LIFT LEVY

Voters in the Town of Wilkeson have historically supported Emergency Medical Services (EMS) by authorizing EMS specific levies. In 2017, Town Voters authorized a “Permanent Lid Lift” with the goal of maintaining levy rates year to year.

However, this was not the case, and the amount has fallen from the limit of \$.50/ \$1000 assessed value (AV) to roughly \$.30/ \$1000 AV.

The proposed EMS levy would increase the amount back to \$.50/ \$1000 av, and include up to 6% increases annually, with the goal of maintaining the maximum of \$.50/\$1000 av.

If this levy is approved, it will allow the Town of Wilkeson to continue to fund the cost of providing emergency medical care and services within the town.

This measure will be discussed at the Special Meeting on Monday Aug 6th @6pm at Wilkeson Town Hall
